SUCCESSFUL GO-LIVE OF MICROSOFT DYNAMICS NAV ERP SOLUTION

BY WINSPIRE SOLUTIONS PTE LTD

I am writing to express our thanks and appreciation to the Winspire Solutions team for having successfully implemented Microsoft Dynamics NAV business solution for two of our companies within the BTH Group – BAN TECK HAN ENTERPRISE PTE LTD and IDEAL FOODS (S) PTE LTD.

As a fast growing company with diverse business profiles and interests, we have selected Microsoft Dynamics NAV business solution and Microsoft award winning partner, Winspire Solutions for this important project with the main objective of putting in place a robust technology solution platform to support our business growth, now and into the future.

The Winspire team has done a good job for us by sharing their experience in our industry and being NAV product experts, incorporated our core requirements within the system design and configurations.

We look forward to an even closer and successful partnership with Winspire Solutions for many years to come.

Yours Truly

LILY TAN
